

# Revita-N™

A wide variety of soil microbes to enhance plant growth

Revita-N is a one of a kind product that helps to fix atmospheric nitrogen in the soil and protect the plant by suppressing non-beneficial biology. The combination of these microbes can cater to both aerobic and anaerobic nitrogen fixation and soil conditioning.

Genesis AG

## Usage Information

**Compatibility:** 9

**Use Rate:** 16 oz. per acre

**Timing:** soil or in-furrow

**Price:** \$14.63

Genesis **AG**

# Revita-N

genesis AG™

NET WEIGHT: 2.5 gallons (9.46 L) | 21.00 lbs. (9.52 kg)

## Guaranteed Analysis:

Soil Amending Ingredients.....38.0%  
Azotobacter vinelandii\* 300 cfu/ml  
Clostridium pasteurianum\* 300 cfu/ml  
Lactobacillus acidophilus\* 300 cfu/ml

Total other/inert ingredient.....62.0%  
Purpose: To enhance nutrient uptake

F002403

WEIGHT PER GALLON: 8.4 lbs. @ 68° F

\*\*Revita-N contains live microorganisms.  
Content can change subject to storage time and conditions.

**STORAGE:** Contains living organisms. Store above 45° F and below 120° F out of direct sunlight and in a dry place. Keep container sealed tightly when not in use. Lot number and expiry date can be found on this package.

**Application Rates:** 32 ounces per acre. Can be pre-plant broadcast, added to 2x2 fertilizer, side-dress nitrogen applications, early herbicide or foliar nutrient applications. We recommend a minimum of 10 gallons of carrier solution be used during application.

**MIXING INSTRUCTIONS:**  
ADD RECOMMENDED RATE OF REVITA-N TO SOLUTION DURING AGITATION AND CONTINUE TO AGITATE DURING APPLICATION. DO NOT USE AIR TO AGITATE AS IT WILL DAMAGE THE MICROBIAL MEMBRANES. DO NOT USE WITH FUNGICIDES.

**CONDITIONS OF SALES:** Genesis Ag warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use conditions. Crop injury, product use ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of seller. In no case shall Genesis Ag or its distributors be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. All such risk shall be assumed by the buyer /end user. Genesis Ag makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above. Information about this lot of fertilizer can be obtained by writing to Genesis Ag at the address on this package.

**CAUTION: KEEP OUT OF REACH OF CHILDREN.**

## REVITA-N CAN HELP IMPROVE THE QUALITY OF YOUR SOIL

- Enhance biological nitrogen fixation
- Establish beneficial microorganisms
- Suppress non-beneficial biology
- Augment the soil pH
- Can reduce nitrogen input need

## About Revita-N

Revita-N is a unique microbial formulation developed to improve the soil's natural nitrogen fixation capacity. Revita-N can help with better plant growth and higher yields in a cost-effective way. By establishing beneficial microorganisms in the soil, it can work for you.
